Django Content

1.Overview of Python Part-1
2.Overview of Python Part-2
3.Overview of Python Part-3
4.Introduction to Django
5.Django and Atom Installation and Development of first web application
6.Development of first web application- continuition
7.Various Practice Applications part-1
8.Various Practice Applications part-2
9.Templates Introduction
10.Steps to develop template based application
11. Demo application by using templates
12. Template Tags
13. Working with static files
14. Demo Application with static files
15. Working with Models and Databases Introduction
16. Database configurations continuition
17. Demo applications with Models and Database
18. Demo application with Faker module to generate fake data
19. Working with Django forms
20. Student Feedback Project with Django Forms
21. Django Form Validations Part-1
22. Django Form Validations Part-2
23. Working with Django Model Forms
24. Movie Project with Model Forms
25. Working with Advanced Template Features- Template Inheritance
26. Working with Template Filters
27. Session Management Introduction
28. Session Management by using cookies
29. Session Managment by using Django Session Framework
30. Demo Application on session management Part-1
31. Demo Application on session management Part-2
32. User Authentication Introduction
33. Demo Application Part-1 on User Authentication
34. Demo Application Part-2 on User Authentication

35. Demo Application Part-3 on User Authentication
36. Demo Application to demonstrate CRUD Operations Part-1
37. Demo Application to demonstrate CRUD Operations Part-2
38. Class Based Views Introduction
39. Model Related Views Part-1
40. Model Related Views Part-2
41. Model Related Views Part-3
42. Django ORM Part-1
43. Django ORM Part-2
44. Django ORM Part-3
45. Working with Advanced Model Concepts-Model Inheritance Part-1
46. Working with Advanced Model Concepts-Model Inheritance Part-2
47. Blog Project Part-1
48. Blog Project Part-2
49. Blog Project Part-3
50. Blog Project Part-4
51. Blog Project Part-5
52. Blog Project Part-6
53. Blog Project Part-7
54. Blog Project Part-8
55. Blog Project Part-9
56. Blog Project Part-10
57. Working with Django Middleware Part-1
58. Working with Django Middleware Part-2
59. Deployment of Django application in Live environment Part-1
60. Deployment of Django application in Live environment Part-2
61. Deployment of Django application in Live environment Part-3
62. Deployment of Django application in Live environment Part-4
